

## AS-205 High Performance Silicone Sealant

ALSEAL High Performance Silicone Sealant is a one-component, high performance 100% neutral cure silicone sealant formulated to give superior adhesion and durability in a wide range of glazing, weather sealing and industrial applications. It has excellent resistance to weathering, UV radiation, vibration, moisture, temperature extremes, airborne pollutants and many cleaning detergents and solvents.

Ideal for sealing metal lap joints in roofing, guttering, and cladding applications. It can bond to most common building materials (aluminum, glass, galvanized iron, concrete, painted surfaces, etc.).

### Features:

- ✓ ASTM C920 compliant
- ✓ Excellent weathering resistance
- ✓ Permanently flexible
- ✓ Indoor and outdoor use

**Available colors:** Translucent, white, grey & black
